Financial Arrangements

Finances do not determine our coming. In order to operate Macedonian Call Ministries there are many additional costs besides speaking engagements. Our operating budget needs run approximately \$2500 weekly. This includes office expenses, insurance, taxes, telephone, mission trip expenses (which is heavy). MCM is not dependent on you, any individual, or organization, GOD is our source, however, we want to be up front and honest. Macedonian Call Ministries is committed to minister where the need is regardless of size or resources. We request that you pay travel expenses.
